Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved.

Next, motion by Mason and second by Wadle to approve the contract payment to Terracon in the amount of \$3,146.50. Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved. Next, motion by Mason and second by Wadle to approve the contract payment to Terracon in the amount of \$748.50. Ayes: Wadle, Uttley and

Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved. Then, motion by Mason and second by Wadle to approve the contract payment of \$9,000.00 to Chariton Valley Planning & Development Council for payroll compliance monitoring. Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved. Doug has bids for siren's electrical but is at Milo Fire Department training, table to December meeting. Clerk shared that the Milo Trail will be let on November 21, 2023. After the bid is awarded there will be a construction meeting in December with McClure Engineering and then construction will commence during the Spring of 2023.

Council departmental reports: Kinser-public safety: absent - no report/questions. Rasmussen- utilities: absent - no report/questions. Wadle-streets: no report/questions. Uttley-parks: shared that the concrete culverts have been removed from the City's property in preparation for trail construction. Mason-General: no report/questions. Doug Hembry, no report because he was at the Fire Department training.

Under new business, Sheriff Joe Carico presented a renegotiation of the Milo/Warren County Sheriff's 28E Agreement for law enforcement services. Carico recommended bringing the annual amount to \$25,192 for the next five year period. This equates to \$32.29/ hour for a 15 hour week. Some contract cities are considering reducing hours to save tax payer dollars due to upcoming budget concerns with the State of Iowa making drastic changes in how a city can utilize property tax dollars. Carico said that rural city patrol time is important to the safety of rural residents and contract communities and that visibility on the roads is increased because of the contracts. Council discussed in detail and tabled this item to the next meeting. Clerk asked Sheriff Carico about WarrenComm, the newly proposed board over dispatch, and if Carlisle and Indianola are using just

Fire/EMS dispatch numbers or all dispatching including Indianola and Carlisle law enforcement and does it include the Warren County Sheriff dispatches? Carico said there are several different numbers that go into the \$5.25 per capita amount required to be part member of the WarrenComm Board. But that law enforcement is compared to law enforcement and the Fire/EMS is compared to Fire/EMS. Clerk said that it does not seem fair that Milo should pay for the Sheriff Contract and then also have to pay into the WarrenComm to be part of the deciding board of directors over dispatch. Carico said the purpose of WarrenComm is to

professionalize the dispatch and service and to be proactive to the growth of Warren County. Carico said that creating a uniform response for all departments is necessary for the protection of the public, fire/EMS and law enforcement. Mayor Hall suggested a better name be sought than WarrenComm, to signify that Warren County is moving towards the future. Clerk initiated a discussion about the rumored centralized EMS project stating that all communities receive township tax dollars for the Fire/EMS departments and that Milo does more by providing \$5,000 of Local Option Sales Tax to each capital improvement account, and also paying a portion of general funds to each capital improvement account. Those capital improvement accounts are respectively Fire Department and EMS Department. Carico said that he does not have enough information to speak to the possible centralized EMS project but that response times are a leading concern but he understands that volunteers have fulltime jobs outside of the small communities and can't always respond. Clerk stated that hiring an EMT/paramedic for each volunteer station should be a necessary part of the conversation. Discussion followed.

Next, after discussion, motion by Uttley and second by Wadle that the portable building approval is pending the property owner combining 409 2nd Street with the adjacent parcel creating one parcel and then the permit will be approved. Property owner will have 6 months to create the new single parcel and provide proof to the Clerk. If this does not occur, the portable building will be removed from 409 2nd Street. Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved. Council discussed Uttley's request to review the street sign change to help slow traffic around the school and elsewhere in town. Item table to December 4, 2023 meeting and Clerk directed to email the City Ordinance to Mayor and Council to prepare suggestions for the next council meeting. Clerk addressed Uttley's concern for notification of building permits question by informing Council that the only time the public and nearby property owners are notified is if a variance is needed or there is a zoning change; otherwise, if the person building the structure follows the ordinances, there is no need for notification. Clerk reviewed city investments noting

that all Certificates of Deposit will mature in February 2024. Then, after reviewing the Iowa Department of Transportation Street Financial Report for Milo, motion by Wadle and second by Mason to approve Resolution 2023-31 approving the Milo fy2023 Street Financial Report. Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved. Next, Mayor Hall completed the first reading of Ordinance 2023-05 adding a new section regarding offsetting to the Iowa Department of Revenue debt owed to the City of Milo, Iowa. Motion by Wadle and second by Mason to approve the first reading of Ordinance 2023-05. Roll call vote: Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved. Then, motion by Mason second by Wadle Mason to set the second reading of Ordinance 2023-05 to December 4, 2023 Milo City Council meeting. Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved.

Council then discussed the north electronic sign project bid of \$32,350. Mayor noted that Milo Hometown Pride has raised \$16,350 (\$5,000 Warren County Philanthropic Grant and \$11,350 community donations) but still needs an additional \$16,000 – \$17,000. After discussion on sign options, Council asked for a requote on the bid that will provide the latest technology. Mayor Hall will provide the updated bids at the next meeting. Clerk noted that the 2024 employee health insurance renewal is underway and that this item is employee benefits levy and does not come out of the general fund property tax levy. Mason asked if there was a stipend paid for employees opting out of the insurance. Clerk said there was not. Discussion followed. Clerk noted that the City of Milo has been attending the Warren County Resource Enhancement and Protection (REAP) meetings in anticipation of writing grant for the City's parks and outdoor spaces. The next REAP meeting will be at Milo City Hall on January 16, 2024 at 8:00 a.m. The grant opportunities can be used for open spaces, historical spaces, etc. This can include shelters, bathrooms, and similar items. Next, motion by Mason and second by Uttley to approve the Warren Water District water service request for 14282 S-23 Hwy, Milo, Iowa. Ayes: Wadle, Uttley and Mason. Nays: none. Absent: Kinser and Rasmussen. Motion approved. Then, Council reviewed a letter from Warren Water District informing Milo of their intent to participate and authorize the inclusion of the Warren Water District in the agreement establishing

There were no public comments. Mayor Hall congratulated Tangela Mason on her re-election to Council and noted that Jeff Griggs was the write-in elected for Council. Clerk noted that Mayor Hall also won re-election to the Mayoral seat. Next, Mason expressed concern about the rumor of the school daycare closing and the problems it may cause in the City. Council commented and the Clerk said that there are spaces in the school/daycare that are not being utilized at the Milo primary school and that the walk through was to help determine future use for classrooms. Clerk will contact Southeast Warren School Superintendent Delane Galvin and report back at the next meeting. Next, Mayor Hall shared the Country Propane Heating & Cooling received the "Top Business in a Small Community" at the 2023 Warren County Economic Impact Awards. Health and safety covered Daylight Savings Time and the Circadian Rhythm

Motion by Wadle and second by Mason to adjourn at 7:34 p.m. Ayes: All present. Motion approved.
